

Privacy Statement

Use of Information

We will not collect any information about individuals, except where it is specifically and knowingly provided by you. The information collected will only be used to send you the information you have requested and for any other purposes for which you have consented. Pacific Security Technology will not disclose to third parties any confidential information relating to clients' services unless either authorised by the client or compelled by law.

Security

Pacific Security Technology treats all confidential data held with the utmost care and security. Any details you give will remain completely confidential.

Consent

By using this site, you signify your consent to Pacific Security Technology's on-line privacy policy. If you do not agree to this policy, please do not use this site. We reserve the right, at our discretion, to update, change, modify, add, or remove portions of this policy from time to time.

Policy changes

Any changes to this policy will be posted here.
